The ultimate journey into the fascinating Peruvian Amazon
 our 7-night Amazon River Expedition Cruise where you will experience our most luxurious and comprehensive Amazon journey among the Amazon River's two powerful tributaries: the Marañon and the Ucayali, as well as several hidden black water lakes. Allow the mighty Amazon River time to slowly unveil her majesty and wonders in nature. Kayak, canoe or swim in these unspoiled black waters, keeping eyes peeled for the Amazon's legendary pink dolphins. Be witness to one of the great spectacles of the Southern Hemisphere, the birth of the Amazon River and see the unforgettable giant water lilies. Search for three-toed sloths, toucans, and macaws, fish for piranhas, and meet taricaya turtles in their natural habitat. Enjoy a breakfast picnic accompanied by the jungle symphony and fish along the black waters of the Pacaya River. As our vessel journeys towards the union of the Ucayali and the Marañon Rivers, considered the birthplace of the Amazon, learn from our experienced, expert naturalist guides about the diverse Amazon wildlife and birds of the Pacaya-Samiria National Reserve.
