日期/Day	港口/Port	行程Itinerary
Day 1 18 Jan 23 (Wed)	布宜諾斯艾利斯/ 阿根廷 Buenos Aires, Argentina	布宜諾斯艾利斯/阿根廷 - 入住一晚由船公司安排之酒店住宿 Buenos Aires, Argentina – Overnight accommodation (Arrange by Swan Hellenic)
Day 2 19 Jan 23 (Thu)	烏斯懷亞/阿根廷 - 登船 Embarks in Ushuaia, Argentina	**Included Flight from Buenos Aires to Ushuaia (Arrange by Swan Hellenic) & seat in coach transfer to pier to embark SH Vega** Ushuaia is the gateway to the White Continent. Found at the southernmost tip of South America in Argentinian Patagonia, the city is often described as “the End of the World”. The city’s mountain backdrop rises above the harbour and entrance to the Beagle Channel. The town itself is walkable and has a few small museums as well as pubs, restaurants and cafes - a good place to try Patagonian lamb cooked over open fire pits.
Day 3-4 20 - 21 Jan 23 (Fri-Sat)	海上暢遊 At Sea	Sea days are rarely dull. Take the time to sit back and let the world go by. The ship’s observation decks provide stunning views of the passing ocean. A day at sea gives you the opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert’s view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.
Day 5 22 Jan 23 (Sun) 年初一	南設得蘭群島 South Shetland Islands	While the South Shetlands’ proximity to Antarctica makes the ice-bound sea impassable during winter (April to November), these are the first islands to see snow melt in spring (March) and the slightly warmer temperature means that the fauna is also different from what you see in Antarctica proper. As we go ashore by Zodiac, notice ferns, grasses, lichens and native flora that have more in common with Patagonia than they do with Antarctica.
